

WAIT!

We think it's a wonderful act of generosity that you have chosen to donate your hair to Locks of Love. But before you do, you are entitled to **FREE** 'before' and 'after' in-studio portrait sessions and images at Peter Alcivar Photography.

How does it work?

Before you donate your hair, call our studio to schedule a free 'before' portrait session. Your session will take 15 minutes or less. After you donate your hair, come back in for your 'after' portrait session. After your two sessions, we will present you with a complimentary folio with 4x5 prints of your before and after poses.

Who is eligible?

Anyone who donates his or her hair to Locks of Love.

What does it cost?

Nothing. Well, you will have to donate your hair (through your participating salon) to receive your images.

Why are we doing this?

This is just one way for our business to give something back to our community and to thank you for your generosity.

What's the catch?

1. We work **by appointment only**, so please call ahead to schedule your session.
2. This offer is made **solely** by Peter Alcivar Photography and in no way obligates Locks of Love, Inc.
3. Peter Alcivar Photography is not affiliated with Locks of Love, Inc.
4. Minors **must** be accompanied by a parent or adult guardian.
5. This offer may be withdrawn at any time without notice.
